

Buddy Ball Criteria

Please note the criteria for this new program is different than for the Special Olympics. Players in the Batter-Up Buddy Ball Program may have a handicap such as autistic, brain injuries, vision impaired, hearing impaired, cerebella palsy, mental retardation, and wheel chair bound are prime examples. Children with only learning disabilities are not part of the criteria for Batter-Up Buddy Ball Program. If you have a question on a particular child, please call me before offering a registration form to him/her.

The goal of the Batter-Up Buddy Ball Program is to give every child the opportunity to enjoy the great game of baseball in a positive environment.

If you need more information or have any questions, please call me at 252-230-2467 (Cell).
